You will be a blessing	Although the whole earth is mine, you are my treasured possession	You have found favor with me	The Lord God has chosen you to be his own special treasure	The saints.... They are the glorious ones in whom is my delight
Beloved	Valuable	Cherished	Dearly loved	You are MINE
Knows the number of hairs	Pleasure in making you strong	Delights to show you mercy	Rejoices over you with singing	The one the Lord loves
Remembers me according to his love	Holds you by your hand	He longs to be gracious to you	You are pleased with me	Great joy
Chosen	Royal	Unfading beauty	Concern	Apple of His eye
Delights in me	Rejoices over you	Longs to carry you	Precious	Tender mercy
Confides in us	Cares	Engraved on His palm	Sweet aroma	Sought after
